

Imagine Your Own Badge!

Help Us Design a Badge!

Use your imagination to create one of our 2020 Summer Reading Program badges! Design a special badge and tell us how patrons can earn it this summer. Take a picture and share with us for a chance to have your badge made for everyone to earn!

So get out your crayons, your colored pencils, your pens, and start designing!

The Rules

1. Take a photo of this whole page and a close-up photo of your badge. Send to our Facebook page (@TrailsRegional) or email to us at marketing@trailslibrary.org. We will pick a winner each week and share to our Facebook page!
2. Badges must be family-friendly. Please design accordingly.
