Introduction

Trails Regional Library is a consolidated public library district, comprised of the former Johnson County Library District and Lafayette County Library District. The current district encompasses Johnson County and Lafayette County (excluding the Higginsville Municipal Library District). The consolidated district was established May 27, 1980, as provided under the Revised Statutes of Missouri 182.610-182.620. The governing body is the Trails Regional Library Board of Trustees with 10 members, 5 from each county, appointed by the respective County Commissions.

Library district residents receive free library service. In addition, non-residents may also receive a library card at no charge. The 2020 Census population for the library district was 82,736, an increase of 1,254 over the 2010 Census.

Trails Regional Library provides service from 8 branch libraries located in Concordia, Corder, Holden, Knob Noster, Lexington, Odessa, Warrensburg and Waverly. An Express Branch was established in cooperation with the Leeton School District in the fall of 2007. The Administrative Office for the district is adjacent to the Warrensburg Branch at 432 North Holden Street.

The principal income of the Library is the property tax levied by the district. A levy of 10 cents per \$100 assessed valuation was approved by voters in April 1957, which was raised by the voters in August 1968, to 20 cents and again in August 1984, to 30 cents. The levy is subject to a rollback to comply with the Missouri Constitution (Hancock Amendment).

The library's tax revenue is based upon the current year assessed valuation of real and personal property and is due by December 31st. Revenue for a tax year is received from November through October with 85% received in December and January.

Because the Library's fiscal year begins in July, the budget includes revenue from the current and the upcoming tax years. To ensure that the necessary tax funds are available for the upcoming fiscal year, 40% of the current tax year revenue is directed to an operating reserve for the following fiscal year's budget.

A preliminary budget is prepared for the Board to review and approve prior to the beginning of the new fiscal year. However, assessed valuations and the maximum allowable tax levy on which the budget is based, is not known until after the start of the new fiscal year. A final budget, using the tax levy certified by the State Auditor, is presented to the Board at the August meeting. At that time, the levy is set by the Board and the final budget is approved.

FY 2025 Revenue Highlights

CARRYOVER

Unexpended Budget - \$700,000

The estimated, un-audited fund balance from the previous fiscal year representing unspent budget and income received over the amounts budgeted.

INCOME

4010 & 4020: Tax Receipts (Johnson & Lafayette Counties) - \$3,375,485

The library's primary source of funding is a tax on real and personal property within the library district. The approved levy rate is 30 cents per \$100 valuation, but the Missouri Constitution requires a rollback of the rate when growth in property values exceeds the rate of inflation. For FY 2025, the library's maximum levy, when approved by the Board, will be \$0.2569. The maximum allowable rate has been certified by the State Auditor.

4110: State Aid - \$50,000

The Missouri State Legislature has approved for state aid funding to remain the same as FY2024; however, when preparing this document, the actual amount was not known. For this reason, the amount budgeted for state aid in FY2025 was based on funds actually received in FY2024.

4110: Athletes & Entertainers Fund - \$50,000

The Missouri State Legislature has approved the payout of the Athletes & Entertainers Fund. This money is collected from professional sports teams and professional entertainment that take place within the state of Missouri. The state statutes mandate that these monies can only be spent on collections; both AV and print.

4120: Interest - \$3,500

This money comes from interest income.

4200: Miscellaneous - \$18,000

This money comes from charges, ie copies, new library cards, ear buds, etc. as well as COBRA payments from former employees.

4220: Grants - \$700

This would be a Summer Reading Program Promotional grant from the MO State Library.

4230: Gifts & Reimbursements - \$10,000

Money from monetary gifts to the library district as well as payments for lost or damaged materials.

4235: Transfers from Designated Gifts - \$7,765

The Hartmetz fund will be utilized for collection materials. This designated gift fund can only be used to purchase materials on antiques, travel, nature, or natural history.

Transfers from Development Reserves - \$170,000

This would include \$60,000 from Development Reserves – Debt Service and \$50,000 from Development Reserves – Unspecified to make a lump sum payment on the Odessa Branch building.

FY 2025 Expenses Highlights

6000: Salaries - \$1,973,800

The budget includes a tapered increase to the base wage on the salary scale starting at 10.05% for Track B. The remaining track increases are as follows: Track C-9%, Track D-8%, Track E-7%, Track F-6%, Track G-5%, Track H-4%, Track I-3%, Track J-2%, Track K-1%, and Track L-0%. Staff who have exceeded the top of the salary scale will receive a 1% increase.

Non-exempt employees are paid based on the number of hours worked per pay period; exempt employees are paid a salary. No individuals are currently receiving unemployment benefits from the library.

6100: Social Security - \$151,000

The Social Security rate for all employees is 7.65%.

6110: Group Insurance - \$340,000

The library provides health insurance, and in FY2024 the Board of Trustees approved paying the whole monthly premium for employee only coverage. Effective January 1, 2025, our health insurance rates will increase by 13%.

An Employee Assistance Program offering short-term counseling and mental health benefits is provided to all employees. The annual cost per employee is \$27.96.

The Library provides short-term and long-term disability insurance for all employees who work 30 hours or more per week. Cost per employee varies, depending on salary. The Library also pays the premium for \$20,000 of life insurance coverage for eligible employees who work 20 hours or more per week. The annual cost is \$53.52 per person.

6120: Retirement - \$148,400

Retirement benefits are provided through the Local Government Employees Retirement System. The Library pays 100% of the contributions to LAGERS. The employer rate for the current L-7 benefit level (1.50%) in LAGERS is 6.2% and is paid on earnings of every employee who works 1,000 or more hours in a calendar year.

Development Reserves

Development reserves are set aside for capital improvements, unbudgeted emergency needs, and other financial exigencies. On June 15, 2006, the Board agreed by consensus to accumulate in a timely manner a balance in this fund equal to approximately 15% of the total operating budget.

Development Reserves – Debt Service was added to the budget in FY 2017 to accrue funds for future payments on debt service, in particular the Odessa branch building debt.

Vehicle Replacement Fund

The Vehicle Replacement Fund was added to the budget in July 2022 to accrue funds for replacing our two library vehicles: courier van and facilities van.

Operating Reserve

The Operating Reserve is the amount allocated in the budget to set aside for the library's expenses during the first five months of the fiscal year (July – November). It is typically 40% of the anticipated tax revenue of that fiscal year.

In 1957, with the formation of the Johnson County Library District, the association turned over all of its assets to the new district. In October 1974, Trails Regional Library began to receive quarterly payments from the Theodore Funck Trust. Under the terms of the Trust, ½ of the net income is payable to the trustees of Trails Regional Library. The Library currently receives yearly distributions from the Trust.
